The RAC (Political parties/Associations Committee) announced on **26 December 2012** that in accordance with Article 6 of the Political Parties & Associations Law and in the light of the results announced by the Electoral Commission, **Kulmiye**, **Wadani and UCID** succeeded in becoming the three new national parties. The <u>regional results announced by the NEC</u> and the percentage of votes are set out below (Table 1) and, in Table 2, the Article 6(2) Code formula used in the determination in this case where only one party/association met the 20% threshold in all the six regions is worked out to indicate the next 2 parties/associations.

Note: These are not official RAC tables and have been prepared to illustrate the determination under the agreed Article 6 Code. The RAC formal statement on the determination is <u>available here</u>.
